The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Crenshaw Dialysis Center Project and Physical Therapy Renovation in Fiscal Year 2027. The entity to receive funding for this project is the Crenshaw Community Hospital, located at 101 Hospital Drive Luverne, Alabama 36049. The funding would be used for establishing a dialysis center at Crenshaw Community Hospital, including the purchase of dialysis equipment and necessary electronic medical record (EMR) infrastructure. The project is an appropriate use of taxpayer funds because it addresses a critical gap in local healthcare by providing essential dialysis services currently unavailable in Crenshaw or Butler County, reducing travel burdens for patients, improving chronic disease management, and enhancing overall community health outcomes.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Shomari C. Figures
Member of Congress
