The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Evergreen Airport Multi-Use Terminal Facility in Fiscal Year 2027. The entity to receive funding for this project is the Washington County Commission, located at 355 East Front Street, Evergreen, AL 36401. The funding would be used for constructing a new terminal facility at the Evergreen Regional Airport to replace the outdated terminal built in 1974. The project is an appropriate use of taxpayer funds because the current terminal, parking area, and apron access lack essential safety and operational features necessary to support emergency response, training, and public safety operations. The new terminal will enhance the airport's ability to safely and efficiently support military training missions from Naval Air Station Whiting Field, serve as the command center for crash and rescue operations, and provide an upgraded public facility for use by local law enforcement, emergency personnel, and the community.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Shomari C. Figures
Member of Congress
