The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

U.S. House of Representatives

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Montgomery Police Fleet Stabilization in Fiscal Year 2027. The entity to receive funding for this project is the City of Montgomery, Alabama, located at 103 North Perry St Montgomery, AL 36104. The funding would be used to replace 61 aging patrol vehicles for the Montgomery Police Department. The project is an appropriate use of taxpayer funds because it will reduce costly repairs and mechanical failures while ensuring officers have reliable vehicles for daily patrol and emergency response. By stabilizing frontline response capacity, the new fleet will help officers serve the Montgomery community more efficiently and safely.

The project has a federal nexus because the funding provided is for purposes authorized by section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Shomari C. Figures
Member of Congress
