The Honorable Rosa DeLauro

U.S. House of Representatives

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Union Springs, Alabama Water System Improvements in Fiscal Year 2027. The entity to receive funding for this project is the Utilities Board of the City of Union Springs, Alabama, located at 134 Prairie St N, Union Springs, Alabama 36089. The funding will be used for the construction of a new 500,000-gallon elevated water storage tank and a new water supply production well. This investment represents a cost-effective and forward-looking approach to strengthening essential utility systems that serve the people and businesses of Union Springs, Alabama, including the largest water user in the Union Springs system.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Shomari C. Figures
Member of Congress
