The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

U.S. House of Representatives

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the West Turner Road Bridge Replacement in Fiscal Year 2027. The entity to receive funding for this project is the Mobile County Commission, located at 205 Government Street, Mobile, AL 36602. The funding would be used to complete the West Turner Road Bridge Replacement Project, a critical infrastructure improvement that serves as a primary transportation link for local residents and businesses in Mobile County. The project is an appropriate use of taxpayer funds because it will replace a severely deteriorated bridge to ensure safe, reliable access for thousands of commuters, prevent future closures or weight restrictions, and reduce congestion on alternate routes. Additionally, the project will improve stormwater drainage to mitigate flooding and protect nearby infrastructure, enhancing public safety, transportation efficiency, and quality of life for the citizens of Prichard.

The project has a federal nexus because the funding provided is consistent with purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Shomari C. Figures
Member of Congress
